Subject: Request for Permission for Herbal Garden Tour

Respected Sir,

I am writing to seek your permission for a planned educational tour for the D. Pharmacy students of the 1st and 2nd year to visit the Herbal Garden located in Jogindernagar, Mandi, on 26th October 2024.

This tour is an integral part of the students' curriculum and aims to provide them with practical exposure to various medicinal plants and their applications in the field of pharmacy. The experience will not only enhance their understanding of herbal medicine but also foster a greater appreciation for the role of these plants in healthcare.

Details of the Tour:

- Date: 26th October 2024
- Departure Time: 8:00PM
- Return Time: 6:00PM
- Location: Herbal Garden Jogindernagar, Mandi, Himachal Pradesh

We believe that this educational visit will significantly contribute to the students' learning experience and align with our institution's commitment to providing comprehensive pharmacy education.

I kindly request your approval for this tour and any guidance you may have regarding necessary arrangements or protocols we should follow.

Thank you for considering this request. I look forward to your positive response.

Warm regards

Report on Herbal Tour of D. Pharmacy Students of Gautam College of Pharmacy, Hamirpur

Date of Visit: 26/10/2024

Location: Herbal Garden, Jogindernagar, Mandi, Himachal Pradesh

Participants: D. Pharmacy Students, Gautam College of Pharmacy

Teachers: Mr. Akhil Moudgil (Assist. Prof. Pharmacology), Ms. Neha Rani (Assist. Prof. Pharmacology)

Leaders in Herbal Garden: Mr. Tek Ram Chand (Senior Guide), Dr. Mahima Thakur (Senior Botanist), Dr. Arun Chandan (Project Officer Incharge)

Introduction

As part of the educational curriculum, the D. Pharmacy students of Gautam College of Pharmacy undertook a field visit to the Herbal Garden at Jogindernagar, Mandi. This tour was designed to enhance students' understanding of medicinal plants, their applications in pharmacology, and the diverse flora found in the tropical regions of Himachal Pradesh.

Objectives

1. To explore various medicinal plants relevant to the pharmacy syllabus.
2. To understand the significance of biodiversity and conservation.
3. To learn about the cultivation and uses of specific medicinal plants.
4. To appreciate the natural beauty of the region and its ecological significance.

Activities and Learning Outcomes

The trip commenced with a guided tour led by Mr. Tek Ram Chand, who provided insights into the various medicinal plants present in the garden. Students were introduced to a variety of herbs, their medicinal properties, and their relevance in traditional and modern medicine.

Key Highlights:

- **Medicinal Plants Observed:** Students learned about significant plants such as Harar, Bahera, Amla, Shyonak, Tejpatra, Shrish, and Jamun etc. Each plant's therapeutic uses were discussed in detail.
- **Herbarium Visit:** Dr. Mahima Thakur facilitated a visit to the herbarium, where she elaborated on the importance of preserving plant specimens for research and educational purposes. Students gained hands-on experience in identifying and cataloging different species.
- **Lecture by Dr. Arun Chandan:** The project officer gave an insightful lecture on the importance of plantation and conservation efforts. He emphasized sustainable practices and the role of herbal gardens in promoting biodiversity.

Contribution to College

Dr. Arun Chandan generously provided various plants for the college to cultivate, including ten trays enhancing their understanding of plant cultivation and its benefits.

Scenic Experience

The journey to Jogindernagar was marked by breath-taking views of the Dhauladhar hills, which added a mesmerizing backdrop to the educational experience. The natural beauty of Himachal Pradesh served as an inspiration for students and reinforced the importance of environmental conservation.

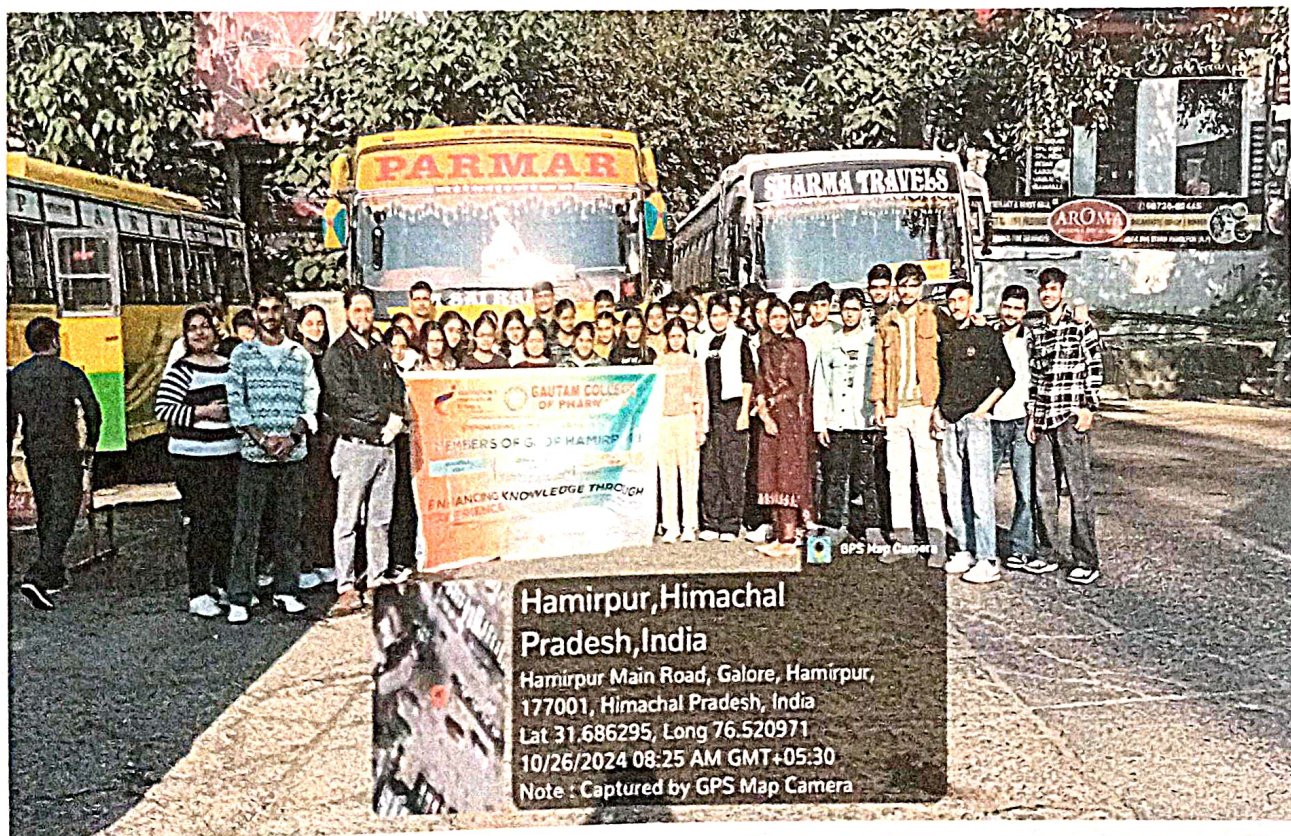

Conclusion

The herbal tour was a valuable educational experience for the D. Pharmacy students at Gautam College of Pharmacy. It not only enriched their academic knowledge but also fostered a deeper appreciation for nature and its resources. The insights gained during this visit will undoubtedly contribute to their future endeavours in the field of pharmacy and herbal medicine.

Acknowledgements

We extend our heartfelt thanks to Mr. Tek Ram Chand, Dr. Mahima Thakur, and Dr. Arun Chandan for their guidance and support during this enriching experience. Their expertise significantly enhanced the learning outcomes for all participants.

Subject: Request for Permission to Visit Herbal Garden for D. Pharmacy Students

Dear Sir/Madam,

On behalf of Gautam College of Pharmacy, Hamirpur, I am writing to request permission to organize a visit to the Herbal Garden at your esteemed institution for our Diploma in Pharmacy students.

We intend to bring a group of 45 students, accompanied by 2 faculty members, for an educational visit. The objective of this visit is to provide our students with practical exposure to the cultivation and medicinal uses of various herbal plants, which is an integral part of their academic curriculum.

We kindly request you to suggest a suitable date and time for the visit at your convenience. Please let us know if there are any formalities or specific guidelines we need to adhere to for the visit.

We appreciate your support in providing our students with this valuable learning opportunity and look forward to your positive response.

Thank you for your time and consideration.

Yours sincerely,
