Subject: Request for Permission for Pharmacy Students to Participate in Industrial Visit and One-Day Seminar

Dear Sir,

I am writing to seek your kind permission to organize an industrial visit and seminar participation for the students of Gautam College of Pharmacy.

We propose an industrial visit to two pharmaceutical companies located in Sansarpur Terrace, Kangra on 27th September 2024. This visit aims to provide our students with practical exposure to pharmaceutical manufacturing processes, quality control, and industry standards.

In addition, we plan to attend a one-day seminar at Minerva College of Pharmacy, Indora, following the industrial visit on the 28-09-24. The seminar will focus on recent advancements in the pharmaceutical sector, which will greatly benefit our students by enhancing their understanding of contemporary industry trends.

The group will consist of approximately [Number] students and [Number] faculty members, who will supervise and guide the students throughout the day. We assure you that all necessary safety protocols and guidelines will be strictly followed during the trip.

We kindly request your approval for this industrial visit and seminar participation, as it will be a valuable learning experience for our students. Your support in this matter will be greatly appreciated.

Thank you for considering our request. We look forward to your favourable response.

Yours sincerely,

Principal

Subject: Request for Permission for One-Day Industrial Visit for Pharmacy Students at your company.

Respected Sir,

. On behalf of the Gautam College of Pharmacy, Hamirpur, I am writing to seek your kind permission to organize a one-day industrial visit to your esteemed pharmaceutical company for our Pharmacy students.

This visit aims to provide our students with practical exposure to the pharmaceutical industry, enabling them to gain valuable insights into the functioning of the production, quality control, research, and development departments. Such an experience will complement their theoretical knowledge and prepare them for their future roles in the industry.

We propose to conduct the visit on 27-09-24, and the group will consist of approximately 20 students, accompanied by 02 faculty members. We assure you that all necessary protocols and regulations will be strictly adhered to during the visit.

We would be grateful if you could kindly grant us permission for this industrial visit and designate someone from your team to guide the students through the various processes at your facility.

We look forward to a positive response from your end. Thank you for considering our request, and we hope to provide our students with this enriching learning experience at your organization.

Yours sincerely,

Director/Principal

Report on Industrial Visit to Civron Pharmaceutical

Date of Visit: 27/09/2024

Location: Civron Pharmaceuticals, Sansarpur Terrace, Distt. Kangra (HP)

Participants:

- Students: 50 (B. Pharmacy 3rd Semester, 5th Semester, M. Pharmacy 1st Semester)
- Faculty: Mr. Sunil Kumar, Ms. Madhu Bala

❖ Introduction

On 27/09/2024, students from Gautam College of Pharmacy, accompanied by faculty members Mr. Sunil Kumar and Ms. Madhu Bala, visited Civron Pharmaceutical located in Sansarpur Terrace, Distt. Kangra. The objective of this industrial visit was to provide students with first hand exposure to the pharmaceutical industry, enhancing their understanding of manufacturing processes, quality control, and regulatory practices.

❖ Industrial tour Overview

The visit commenced with a departure from the college at 9:15 AM. After a journey of approximately 5 hours, the group arrived at Civron Pharmaceutical at 1:30 PM, where we were welcomed by the company's representatives.

❖ Key Activities

❖ Welcome and introduction

The students received a warm welcome from Mr. Dharam Pal Manager of Civron Pharmaceutical, who provided an overview of the company's history, mission, and the range of products manufactured.

❖ Facility Tour

A guided tour of the manufacturing facility was conducted, showcasing various departments:

- **Production Unit:** Students observed the drug formulation processes and learned about different production lines.

- **Quality Control Lab:** Insights were provided on testing and ensuring the quality of pharmaceuticals, emphasizing the importance of adhering to safety and efficacy standards.

1. Interactive session

An engaging Q&A session was held with key personnel from the production and quality assurance teams. Students posed questions related to career opportunities, industry challenges, and the latest technological advancements in pharmaceuticals.

2. Workshops/Presentations

Industry experts of various departments of various pharmaceuticals conducted workshops on pertinent topics such as Quality Assurance and Regulatory Affairs, providing students with deeper insights into specialized areas of the pharmaceutical industry.

3. Feedback Session

At the end of the visit, students participated in a feedback session where they shared their thoughts and key learnings from the experience.

❖ Key Learnings

- **Real-World Applications:** The visit emphasized the practical applications of theoretical knowledge gained in classrooms, particularly in drug formulation and quality control.
- **Industry Awareness:** Students gained a better understanding of the pharmaceutical manufacturing process, including the challenges faced by companies in compliance and quality assurance.
- **Networking Opportunities:** The visit provided students the chance to interact with industry professionals, potentially aiding their career aspirations.
