**Subject: Invitation for Himachali Nati Dance Group to Perform
at National Pharma Summit 2024 in New Delhi**

Respected Sir,

On behalf of Team Pharma Lok, we are thrilled to invite a group of twelve girls students for Himachali Nati from your esteemed institution to perform at the National Pharma Summit 2024, scheduled to take place on 10th November 2024 in New Delhi. Their participation will bring a vibrant and authentic cultural touch to the summit, showcasing the beauty of Himachal's traditional dance form to a diverse audience from across the country.

To ensure a comfortable and rewarding experience, we are pleased to inform you that Team Pharmalok will be providing accommodation and meals for all twelve participating girls. We are committed to supporting their safety and well-being throughout the event.

We look forward to welcoming these students to New Delhi and are confident that their performance will be a highlight of the summit. Your support in coordinating their participation and handling any necessary arrangements would be immensely appreciated.

Thank you for your consideration and partnership.

Please confirm your availability at your earliest convenience.

We eagerly anticipate your positive response and the privilege of welcoming you to the summit.
Warm regards,

**National Coordinator,

Report on Gautam College of Pharmacy's Participation in the National Pharma Summit 2024

Event Overview:

The National Pharma Summit 2024, themed "Innovating Healthcare: Precision Medicine, AI, and Sustainability in Pharma," took place from November 8th to 10th, 2024, in New Delhi. This summit convened industry leaders, academicians, and professionals to discuss advancements in precision medicine, the integration of artificial intelligence (AI) in healthcare, and sustainable practices within the pharmaceutical industry.

Delegation from Gautam College of Pharmacy:

A delegation from Gautam College of Pharmacy, Hamirpur, attended the summit, comprising:

- **Director cum Principal:** Dr. Sanjay Kumar
- **Heads of Departments:**
 - ❖ Dr. Darsh Gautam (**Pharmaceutics**)
 - ❖ Mrs. Poonam Talwan (**Pharmaceutical Chemistry**)
 - ❖ Ms. Varsha Devi & Mr. Sunil Sankhayn (**Assistant Professor**)
 - ❖ **Students:** A group of 15 Pharmacy students from B. Pharmacy & M. Pharmacy attended the summit.

Key Highlights and Learnings:

❖ Precision Medicine:

- Exploration of tailored therapeutic approaches based on individual genetic profiles.
- Case studies demonstrating improved patient outcomes through personalized treatment plans.

❖ Artificial Intelligence in Healthcare:

- Discussions on AI-driven innovations transforming drug discovery and diagnostics.
- Insights into machine learning applications for predictive analytics in patient care.

❖ Sustainability in Pharma:

- Strategies for implementing eco-friendly manufacturing processes.

- Emphasis on reducing the environmental footprint of pharmaceutical operations.

Networking and Collaborations:

The summit provided opportunities for our faculty and students to interact with industry experts, fostering potential collaborations for research and internships. Notably, discussions were initiated with representatives from leading pharmaceutical companies regarding guest lectures and workshops at our institution.

Student Engagement:

Our students actively participated in various sessions, gaining exposure to real-world challenges and innovations in the pharmaceutical sector. This experience has broadened their understanding and will undoubtedly enhance their academic pursuits.

Special Cultural Performance:

In addition to attending the summit, a group of 12 female students from our college performed the traditional folk Natti dance of Himachal Pradesh. This performance showcased the rich cultural heritage of our state and was well-received by the attendees.

Glimpse from the event

Conclusion:

Participation in the National Pharma Summit 2024 has enriched our faculty and students with contemporary knowledge and industry insights. The learnings from this summit will be instrumental in updating our curriculum and research initiatives, aligning them with global standards and industry needs.

Recommendations:

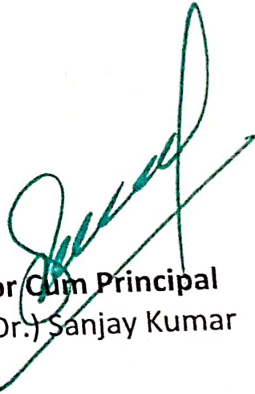

- **Curriculum Enhancement:** Incorporate topics on precision medicine, AI applications in healthcare, and sustainable pharmaceutical practices.
- **Workshops and Seminars:** Organize sessions led by industry experts to bridge the gap between academia and industry practices.
- **Student Development:** Encourage student participation in such summits to provide practical exposure and networking opportunities.

Acknowledgments:

The delegation expresses gratitude to the college management for supporting participation in this significant event and looks forward to implementing the acquired knowledge for the betterment of our academic community. Special thanks to the chairman Mr. Jagdish Gautam Managing Director Mr. Rajneesh Gautam, Director Cum Principal Dr. Sanjay Kumar sir of Gautam College of Pharmacy for their never-ending support.
