Subject: Permission for organizing induction program of B Pharmacy 1st semester on 08-08-2024 & 09-08-2024 in campus.

Respected sir,

I am writing to inform you an upcoming event that we are planning to organize at Gautam College of Pharmacy an induction program of B Pharmacy 1st semester students.

The detail of the events are as follows:

Date: 08/08/2024 & 09/08/2024

Venue: Gautam College of Pharmacy Hamirpur

Organized by: Gautam College of Pharmacy Hamirpur

I am writing to seek formal permission to organize an induction program for the newly admitted first-semester students of the B Pharmacy at Gautam College of Pharmacy. The proposed induction program aims to provide a comprehensive introduction to the academic and practical aspects of the pharmacy course and to help the students acclimate to their new environment.

Objectives:

- To introduce students to the faculty, staff, and the curriculum.
- To familiarize students with the facilities and resources available.
- To provide guidance on academic expectations, code of conduct, and support services.
- To foster a sense of community and belonging among the new students.

I kindly request your approval for the proposed date and arrangements for the induction program. Your support in facilitating this program would be greatly appreciated.

Thank you for considering this request. I look forward to your positive response

Thank you for your attention and support.

Yours sincerely

Shivali

Report on induction program for first-year Bachelor of Pharmacy students

Date : 09/08/2024

Organized by: Gautam College of Pharmacy.
Supported by: IQAC

The induction program for first-year Bachelor of Pharmacy (B Pharmacy) students is designed to welcome new students, provide essential information about the course, and prepare them for academic and professional success. The program typically spans two days and includes a variety of activities aimed at easing the transition from high school to university-level education.

Objectives of the Induction Program

1. **Orientation:** Familiarize students with the university environment, facilities, and resources.
2. **Academic Preparation:** Introduce students to the curriculum, teaching methods, and assessment criteria.
3. **Professional Awareness:** Provide insights into the pharmacy profession and its ethical standards.
4. **Social Integration:** Facilitate networking among students and faculty to build a supportive community.

Program Structure

Topic	Speaker	Time
Welcome of session	Mrs. Poonam Talwan Associate Professor, HOD-P'ceutical Chemistry Gautam College of Pharmacy Hamirpur	10:00-10:15 AM
Address by Director cum Principal	Prof.(Dr.) Sanjay Kumar Dean cum Principal, Gautam College of Pharmacy, Hamirpur	10:15-10:20 AM
Address by Secretary	Dr. Rajneesh Gautam Secretary, Gautam Group of Colleges, Hamirpur	10:20-10:25 AM

Address by Examination Incharge	Mr. Ravinder Khatri Associate Professor, HOD-Pharmacology Gautam College of Pharmacy Hamirpur	10:40-10:50 AM
Introduction to different college committees	Mrs. Poonam Talwan Associate Professor, HOD-P'ceutical Chemistry Gautam College of Pharmacy Hamirpur	10:50 AM to 11:00AM

Address by Activity Incharge	Mr. Akhil Moudgil Assistant Professor, Department of Pharmacology, Gautam College of Pharmacy Hamirpur	11:10 AM to 11:20 AM
Address by Class Incharge	Mrs. Shivali Assistant professor, Department of Pharmaceutical Chemistry, Gautam College of Pharmacy Hamirpur	11:20-12:00 PM
Registration of New Students	Mrs. Shivali Assistant professor, Department of Pharmaceutical Chemistry, Gautam College of Pharmacy Hamirpur	12:00 PM to onwards

1. Welcome Session

- **Introduction to the University:** Overview of the institution's history, values, and achievements.
- **Meet the Faculty:** Introduction to key faculty members, including heads of departments and course coordinators.
- **Campus Tour:** Guided tour of the campus, including classrooms, laboratories, libraries, and recreational facilities.

2. Academic Orientation

- **Curriculum Overview:** Detailed presentation of the B Pharmacy syllabus, including core subjects, elective options, and practical training.
- **Teaching Methodologies:** Explanation of various teaching methods such as lectures, lab work, and online resources.
- **Assessment Methods:** Outline of the evaluation process, including exams, quizzes, practical assessments, and projects.

3. Library and Resource Introduction

- **Library Tour:** Introduction to the library services, including how to access academic journals, e-books, and research databases.
- **Resource Access:** Instructions on using digital resources and online learning platforms.

4. Laboratory Induction

- **Safety Training:** Instruction on laboratory safety protocols and emergency procedures.
- **Lab Equipment Familiarization:** Introduction to common laboratory equipment and their use in pharmacy practice.

5. Professional Development

- **Ethics and Responsibilities:** Discussion on professional ethics, legal responsibilities, and career opportunities in pharmacy.
- **Guest Lectures:** Talks by industry professionals and alumni about real-world experiences and career paths.

6. Student Support Services

- **Academic Support:** Information on academic advising, tutoring services, and study groups.
- **Counseling Services:** Overview of mental health resources and counseling services available to students.

- **Extracurricular Activities:** Introduction to student organizations, clubs, and extracurricular opportunities related to pharmacy and beyond.
7. **Social Activities**
- **Ice-Breaker Activities:** Fun, interactive sessions to help students get to know each other.
 - **Cultural Events:** Social events that allow students to engage with one another in a relaxed setting.
8. **Feedback and Q&A Session**
- **Open Forum:** Opportunity for students to ask questions and provide feedback on the induction program.
 - **Continuous Improvement:** Collection of feedback to enhance future induction programs.

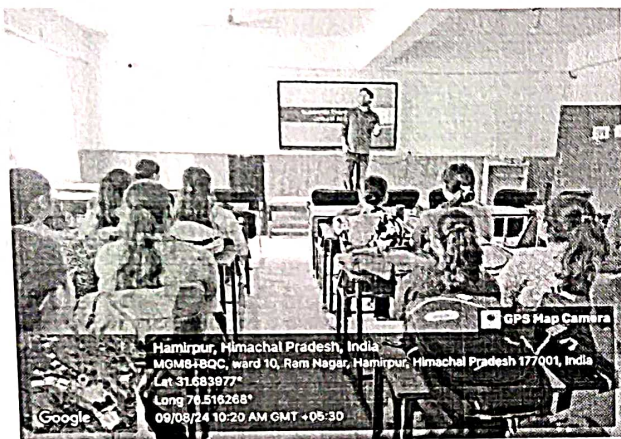

Outcomes and Evaluation

1. **Assessment of Objectives**
 - Evaluate whether the induction program met its objectives through observation.
2. **Continuous Improvement**
 - Use feedback to make adjustments and improve the induction program for future cohorts.

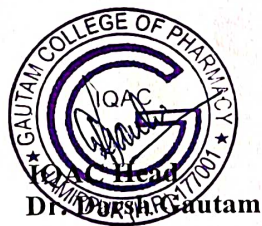

Conclusion

The induction program for B Pharmacy first-year students is a critical component of their transition into higher education. It provides foundational knowledge, fosters a sense of belonging, and prepares students for both academic and professional challenges. Continuous evaluation and feedback are essential to ensure the program remains effective and relevant.
