Subject –Permission for organizing a lecture on 12th August 2024 in the Campus.

Respected Sir

I am writing to inform you about an upcoming activity that we are planning for the celebration of international youth day.

The details of the lecture are as follows:

Date: 12th August 2024

Time: 11:30AM-12:30PM

Venue: Auditorium (LH-1) Gautam College of Pharmacy

I am writing to seek your permission to organize a lecture at Gautam College of Pharmacy in celebration of International Youth Day. This event aims to celebrate the contributions of young people and to encourage active participation in societal development

The lecture will focus on the theme of the lecture, such as from **“Clicks to Progress: Youth Digital Pathways for Sustainable Development”**. Our objective is to provide valuable insights and inspire the youth to take an active role in shaping their futures and contributing to their communities.

I would be grateful if you could grant us the necessary permissions to use the college's facilities for this event. Additionally, kindly provide the assistance with organizing logistics, such as arranging seating or audio-visual equipment, would be greatly appreciated.

Please let me know if there are any forms or additional procedures we need to follow to facilitate this request. We are committed to ensuring that the event is conducted smoothly and in accordance with the college's guidelines.

Thank you for considering my request and looking forward to your positive response and are eager to contribute to the celebration of International Youth Day at Gautam College of Pharmacy.

Yours sincerely,

Sunil Sankhyan

INSTITUTION'S INNOVATION COUNCIL
(Ministry of Education Initiative)

GAUTAM COLLEGE OF PHARMACY

INTERNATIONAL YOUTH DAY
12 AUGUST 2024

SPEAKER
MR. SUNIL SANKHYANI

ORGANIZED BY: Gautam College of Pharmacy, Hamirpur **Date:** 14/06/2024

SUPPORTED BY: IQAC (Internal Quality Assurance Cell)

Introduction:

International Youth Day, celebrated annually on August 12th, is dedicated to raising awareness about the challenges and opportunities faced by young people around the world. The theme for this year's event, "From Clicks to Progress: Youth Digital Pathways for Sustainable Development," highlights the role of digital technology in empowering youth and advancing sustainable development goals (SDGs). Gautam College of Pharmacy marked this occasion with a guest lecture designed to explore how digital tools and platforms can drive progress in various fields, particularly in healthcare.

Event Summary:

The event took place on August 12th from 11:30 AM to 12:30 PM at LH-1, Gautam College of Pharmacy. Mr. Sunil Sankhyan, Assistant Professor of Pharmacology, delivered a thought-provoking lecture on the intersection of digital technology and sustainable development in the context of pharmacology and healthcare.

Key Highlights:

1. Introduction and Welcome:

- The event was inaugurated with a warm welcome from the host, who introduced the theme of International Youth Day and the guest speaker. The host emphasized the importance of digital pathways in achieving sustainable development and outlined the objectives of the lecture.

2. Lecture by Mr. Sunil Sankhyan:

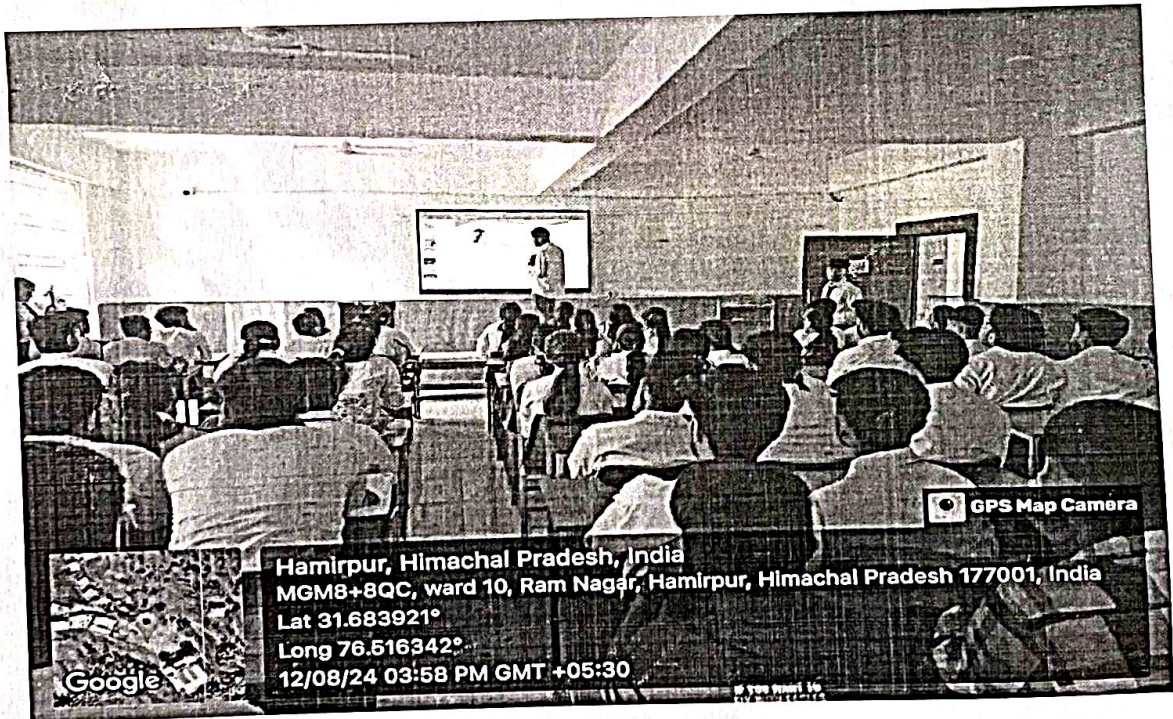

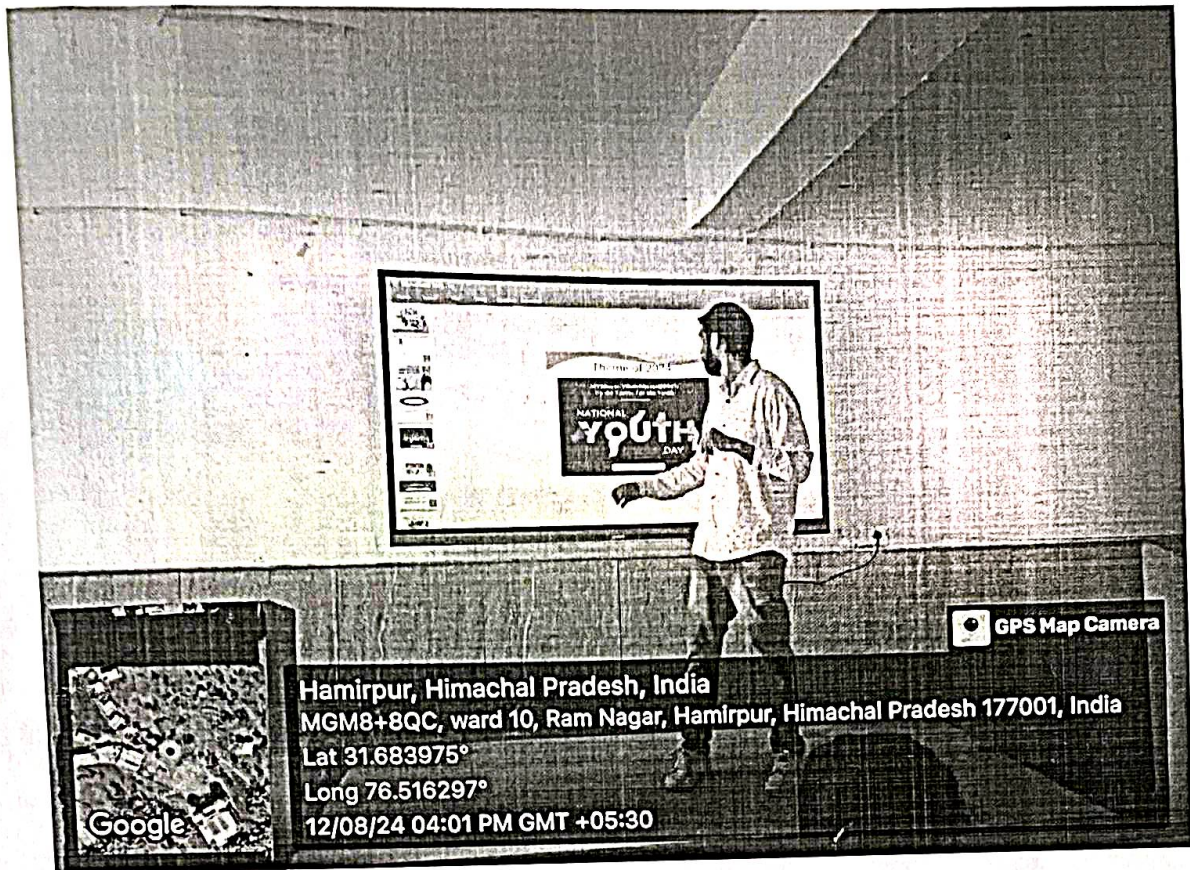

- **Topic:** "Harnessing Digital Tools for Sustainable Development in Pharmacology"
- **Content:**
 - Mr. Sankhyan explored how digital technology is revolutionizing the field of pharmacology and contributing to sustainable development.
 - He discussed various digital tools such as data analytics, telemedicine, and electronic health records that are enhancing healthcare delivery and research.
 - The lecture covered the impact of digital platforms on accelerating drug discovery, improving patient care, and promoting health education.
 - Mr. Sankhyan also addressed the role of youth in leveraging digital technologies to drive innovation and address global health challenges.

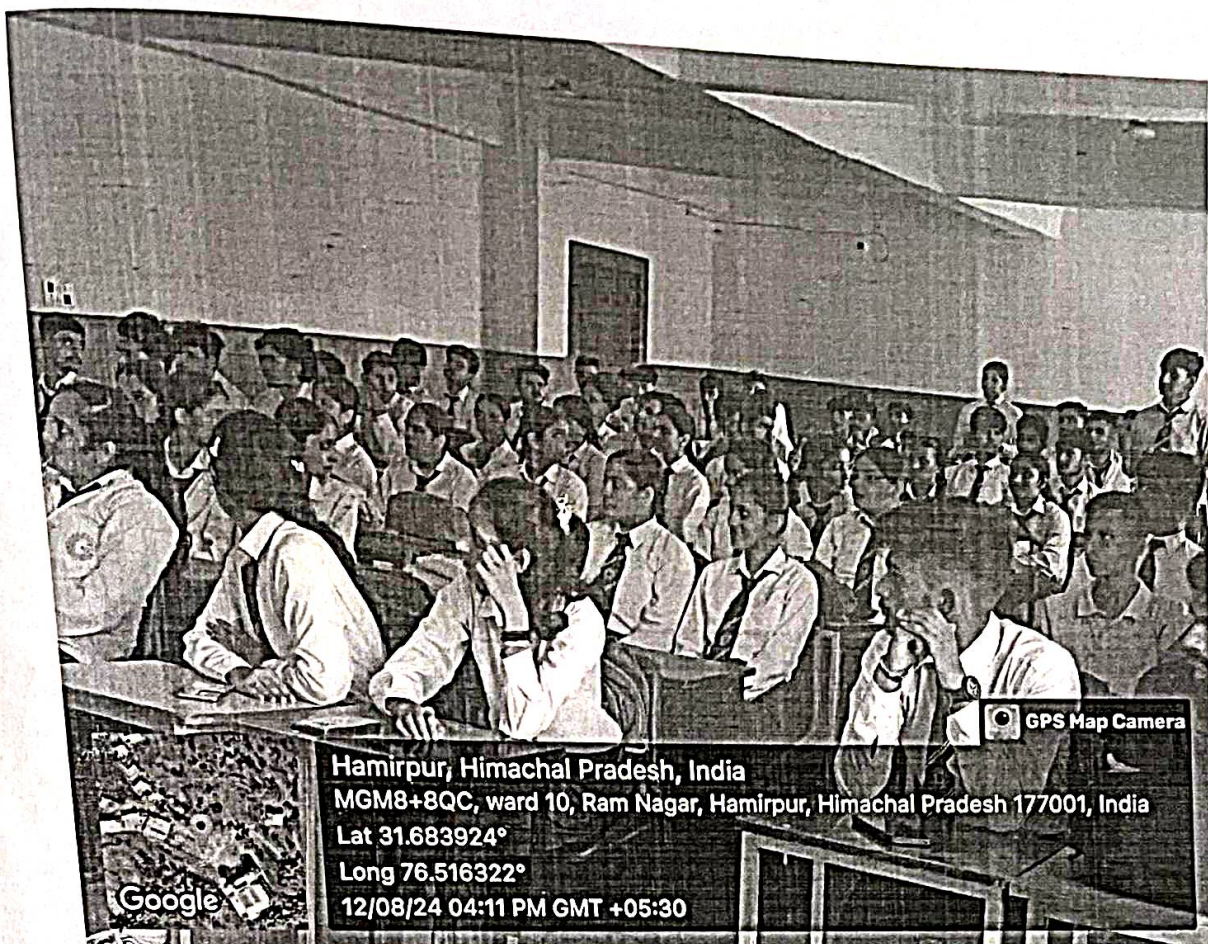

3. Interactive Q&A Session:

- After the lecture, Mr. Sankhyan engaged with the students in a Q&A session.
- Students posed questions about the practical applications of digital tools in pharmacology, the future of digital health technologies, and career opportunities in this evolving field.

4. Closing Remarks:

- The event concluded with closing remarks from the host, who thanked Mr. Sankhyan for his insightful presentation and the students for their active participation.
- The host reiterated the importance of embracing digital pathways for sustainable development and encouraged students to explore opportunities in this dynamic field.

Conclusion:

The guest lecture delivered by Mr. Sunil Sankhyan on International Youth Day provided valuable insights into the role of digital technology in advancing sustainable development, particularly in the field of pharmacology. The discussion highlighted the significant impact of digital tools on healthcare and the potential for youth to contribute to meaningful progress. The event successfully aligned with the theme of the day and inspired students to consider how they can leverage digital technologies in their future careers.

Acknowledgements:

- Gautam College of Pharmacy for organizing and hosting the event.
- Mr. Sunil Sankhyan for his engaging and informative lecture.
- All students and faculty who participated and contributed to the success of the event.

I would like to express my gratitude to Principal, HOD and all faculty members, and students who actively participated in the activity and contributed to its success.
