Subject: Permission to Organize an Expert Lecture on "Get it Right, Make it Safe!" on the Occasion of World Patient Safety Day

Respected Sir,

I hope this letter finds you well. I am writing to seek your kind permission to organize an expert lecture on the topic "Get it Right, Make it Safe!" on the occasion of World Patient Safety Day, which is observed on September 17 every year. The aim of this lecture is to raise awareness among students and faculty members regarding patient safety practices, medication safety, and the importance of safe healthcare delivery systems.

We believe this lecture will contribute significantly to the overall academic growth and understanding of the students, especially in light of the increasing emphasis on patient safety in pharmaceutical and healthcare fields.

We request your approval to conduct this event and would be grateful for any additional support or guidance you may offer. Kindly let us know the suitable time and venue for the lecture.

Thank you for your consideration. We look forward to your positive response.

Yours sincerely,

Abhishek Saini

Assistant Professor,

Report on World Patient Safety Day Celebration at Gautam College of Pharmacy

Date: September 17, 2024

Venue: Gautam College of Pharmacy, Hamirpur LH-1

Occasion: World Patient Safety Day

Slogan: "Get it Right, Make it Safe!"

The Gautam College of Pharmacy celebrated World Patient Safety Day with great enthusiasm and dedication on September 17, 2024. The event aimed to raise awareness about the importance of patient safety and ensure the well-being of patients by promoting safety protocols in healthcare settings.

The slogan for the event, "**Get it Right, make it Safe!**", resonated throughout the program, emphasizing the importance of error-free healthcare delivery and patient safety in medical practices.

Eminent Speaker

The event's eminent speaker was **Ms. Madhu Bala**, who addressed the gathering with a thought-provoking presentation on the significance of patient safety in modern healthcare. She highlighted key measures that should be taken by pharmacists, doctors, and healthcare workers to minimize medical errors and adverse drug reactions.

Key Points from Ms. Madhu Bala's Speech:

- The need for robust systems in place to prevent errors in medication.
- Emphasized the importance of communication between healthcare providers and patients.
- The role of Pharmacovigilance in patient safety, ensuring that adverse effects of drugs are reported and mitigated.
- Encouraged students to adopt patient-centric approaches and remain vigilant in every step of the healthcare delivery process.

Highlights of the Event:

- **Interactive Session:** Following Ms. Madhu Bala's speech, an interactive Q&A session was held where students and faculty engaged in discussions regarding challenges and solutions in ensuring patient safety.
- **Pledge Ceremony:** A pledge was taken by all the attendees to prioritize patient safety in their future professional endeavors and to adhere to best practices in healthcare.

The event was attended by the **Managing Director, Shri Jagdish Gautam, Secretary Dr. Rajneesh Gautam, Principal Dr. Sanjay Kumar**, and other faculty members of Gautam College of Pharmacy. Around 120 students participated actively in the celebration, making it a meaningful and insightful event.

In his closing remarks, Dr. Sanjay Kumar, Principal of the college, stressed the importance of implementing safety standards in healthcare settings and encouraged students to continuously update their knowledge to ensure patient safety.

The program concluded with a vote of thanks by the organizing committee, expressing gratitude to the guest speaker, faculty, and students for their participation and commitment to the cause of patient safety.
