Report on Guest Lecture on Unlocking Educational Opportunities through the National Scholarship Portal (NSP)

Date: October 10, 2024

Time: 10:30 AM -11:30 AM

Venue: LH-1, Gautam College of Pharmacy, Hamirpur

Topic: Scholarship Schemes on National Scholarship Portal (NSP)

Speaker: Mrs.Reena , Assistant Professor, Department of Computer Science

On October 10, 2024, Gautam College of pharmacy, Hamirpur, organized an insightful guest lecture on “**Unlocking Educational Opportunities through the National Scholarship Portal (NSP)**”, delivered by Mrs.Reena, Assistant Professor, Computer Science. The session was aimed at educating students about the NSP, a government initiative to streamline the application and disbursement process for various scholarships offered by central and state governments.

Objectives of the Lecture

The primary objective of the guest lecture was to:

- Provide students with detailed knowledge about the National Scholarship Portal.
- Guide them through the application process for various scholarships available for students in different categories.
- Encourage students to take advantage of government-funded educational opportunities to support their academic journey.

Key Highlights of the Lecture

Mrs.Reena began the session by explaining the **importance of scholarships** in empowering students, especially those from economically weaker sections, to continue their education without financial burden. She emphasized the need for awareness and proper guidance to ensure eligible students don't miss out on these opportunities.

Some key points covered by Mrs.Reena during the lecture include:

1. **Overview of National Scholarship Portal (NSP):** Mrs.Reena introduced the portal as a single integrated platform where students can access information and apply for scholarships provided by the central and state governments. She explained how the NSP reduces paperwork and ensures a transparent process.
2. **Eligibility Criteria:** The lecture covered the various categories of scholarships available on the portal, including those for minority communities, economically weaker sections, and students with disabilities. Mrs.Reena discussed the specific eligibility criteria required for each category and highlighted the importance of reading the guidelines carefully.

3. **Application Process:** A step-by-step walkthrough of the NSP application process was provided. Mrs.Reena demonstrated how students can register on the portal, fill out their profiles, upload required documents, and track the status of their applications. She also shared tips on avoiding common mistakes during the application process.
4. **Scholarship Types:** The types of scholarships available through the portal were discussed in detail, including:
 - **Pre-Matric and Post-Matric Scholarships**
 - **Merit-cum-Means Scholarships**
 - **Scholarships for Professional Courses**
 - **State-Specific and Central Schemes**
5. **Document Requirements:** Mrs.Reena listed the necessary documents such as proof of identity, income certificate, caste certificate (if applicable), and educational qualifications, which are essential for completing the scholarship application.
6. **Deadlines and Important Dates:** Students were advised to keep track of deadlines and ensure that they submit their applications well before the last date to avoid technical issues or delays.

Student Interaction and Q&A

The session concluded with a vibrant **Q&A session**, where students asked various questions related to specific scholarships and challenges they face during the application process. Mrs.Reena patiently answered all the queries and offered practical solutions to common issues such as document verification and portal login problems.

Conclusion

The guest lecture was highly informative and motivated many students to explore the opportunities available through the National Scholarship Portal. The session was well-received by students and faculty alike, and many participants expressed their gratitude for the valuable information shared. The event successfully met its objective of raising awareness about government scholarships and guiding students on how to utilize them effectively for their academic growth.
