Ref. No.: GC/H/Pharm/2025/438-A

Date: 20/3/2025

To
The Coordinator,
Internal Quality Assurance Cell (IQAC),
Gautam College of Pharmacy,
Hamirpur, H.P.

Subject: Permission to Conduct Guest Lecture on World Down Syndrome Day
Respected Sir,

We are writing to seek permission from the Internal Quality Assurance Cell (IQAC) to organize a guest lecture in observance of World Down Syndrome Day at Gautam Group of Colleges, Hamirpur. This event aims to enhance the academic and practical knowledge of our students regarding the pharmacological management of World Down Syndrome day.

Event Details:

Topic: "Down Syndrome"

Speaker: Ms. Madhu

Date: 21 March 2025

Mode: Offline

Time: 2:30 PM – 3:30 PM

We believe this session will greatly benefit our students by providing insights into the latest advancements in Down syndrome care, aligning with our commitment to fostering a high-quality educational environment. We kindly request your approval to proceed with the necessary arrangements for this event. We will ensure that all IQAC guidelines are followed to maintain the standards of quality and effectiveness in our program.

Thank you for considering our request. We look forward to your positive response.

Your sincerely,

Ms. Neha Rani

Report on Guest Lecture on World Down Syndrome Day by Ms. Madhu

Theme: "Improve Our Support Systems"

Date: 21 March 2025

Venue: Offline

Time: 2:30 PM – 3:30 PM

Organized by: [Gautam College of Pharmacy, Hamirpur (H.P.)]

Introduction:

World Down Syndrome Day (WDSD) is observed annually on March 21st to raise awareness and advocate for the rights and inclusion of individuals with Down syndrome. The date, 3/21, was chosen to signify the triplication of the 21st chromosome, which causes Down syndrome. Each year, WDSD has a specific theme that guides the activities and campaigns. For 2025, the theme focuses on "Inclusion Matters," emphasizing the importance of inclusive education, employment opportunities, and community participation for individuals with Down syndrome. The event witnessed participation from students, faculty members.

Inaugural Session:

Lecture began at 2:30 PM with welcome speech by Ms. Neha Rani, followed by a brief introduction to World Down Syndrome Day and its theme. Secretary Dr. Rajneesh Gautam, Prof. (Dr.) Sanjay Kumar (Director cum Principal, GCOP) were also Joined this offline session.

Lecture by Ms. Madhu

Key Highlights:

- 1. Raise Awareness:** Educate the public about Down syndrome, dispel myths, and promote understanding.
- 2. Advocate for Rights:** Highlight the need for equal rights and opportunities for individuals with Down syndrome.
- 3. Promote Inclusion:** Encourage schools, workplaces, and communities to adopt inclusive practices.

Activities and Events

- **Social Media Campaigns:** Organizations and advocates will utilize platforms like Twitter, Instagram, and Facebook to share stories, facts, and messages of support using the hashtag #World Down Syndrome Day.

- **Community Events:** Local events such as walks, educational seminars, and family gatherings will be organized to foster community spirit and awareness.
- **Educational Workshops:** Schools and organizations may host workshops to educate students and staff about Down syndrome and the importance of inclusivity.
- **Advocacy Initiatives:** Advocacy groups will push for policy changes that enhance the rights of individuals with Down syndrome in education, healthcare, and employment.

Conclusion

World Down Syndrome Day 2025 aims to foster a more inclusive society where individuals with Down syndrome are recognized for their contributions and provided with equal opportunities. By raising awareness and advocating for change, we can work towards a world where everyone is valued and included. The offline lecture for World Down Syndrome Day successfully raised awareness about down syndrome, provided valuable insights into management strategies, and encouraged collaboration among healthcare professionals and patients. Participants expressed gratitude for the informative sessions and emphasized the need for continued education and support in managing this chronic condition.

Key Takeaways:

Aims to educate the public about Down syndrome, dispel myths, and promote understanding of the condition.

Highlights the need for equal rights and opportunities for individuals with Down syndrome in all areas of life, including education, employment, and healthcare.

Focus on pushing for policy changes that enhance the rights and opportunities for individuals with Down syndrome.
