Subject: Request for Permission to Organize a Lecture on "World Pulse Polio" for B.Pharmacy and M.Pharmacy Students and Faculty

Respected Sir,

I am writing to let you know about an event that is coming up and to ask for your permission to host "World Pulse Polio Day" for the students pursuing a B.Pharmacy and a M.Pharmacy on October 24, 2024.

The lecture aimed to raise awareness among B.Pharmacy and M.Pharmacy students about the importance of eradicating polio and the role of healthcare professionals in this global health initiative. It focused on educating future pharmacists about the history and success of the Pulse Polio Program, vaccination strategies, and the critical need for continued vigilance to maintain polio-free status in India. The session sought to inspire students to actively participate in public health campaigns and to emphasize their responsibility in promoting immunization and disease prevention.

The Details of the upcoming event are as follows:

Date: 24th October 2024

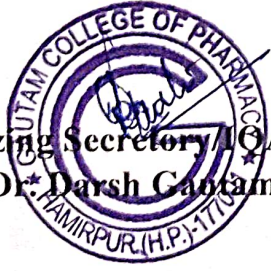

Time: 11:30-12:30pm

Speakers: Ms. Nidhi Sharma (Head of department: Pharmacology; Gautam College of Pharmacy Hamirpur, Himachal Pradesh).

Venue: Gautam College of Pharmacy Hamirpur, Lecture Hall 1.

Yours sincerely,

Mr. Munish Pathak

Guest lecture on World Pulse Polio Day Report

Organized by: Gautam College of Pharmacy

Date: 24/Oct/2024

Supported by: IQAC

A lecture on "World Pulse Polio" was organized on 24th October 2024 at Gautam College of Pharmacy, Hamirpur, Himachal Pradesh. The event was attended by B.Pharm and M.Pharm students, as well as faculty members. The session was led by Ms. Nidhi Sharma, Head of the Department of Pharmacology, who delivered an insightful and engaging talk on the significance of polio eradication and the role of healthcare professionals in this global health mission.

Aim of the Lecture:

The primary aim was to raise awareness about the importance of eradicating polio and to highlight the role that future pharmacists can play in supporting vaccination efforts. The lecture focused on educating students about the history and achievements of the Pulse Polio Program, effective vaccination strategies, and the ongoing need for vigilance to ensure that India remains polio-free. The session emphasized the responsibility of healthcare professionals in promoting immunization and participating in public health campaigns.

Events during the Lecture

- **Welcome Address:** The session began with a welcome address by Dr. Sanjay Kumar, Principal of Gautam College of Pharmacy. Mr. Munish Pathak, Assistant Professor, Gautam College of Pharmacy introduced the speaker and highlighted the significance of World Pulse Polio Day.
- **Presentation on Polio Eradication:** Ms. Nidhi Sharma delivered a detailed presentation on the history of polio, global eradication efforts, and India's journey to becoming polio-free. She discussed key milestones and ongoing challenges in maintaining this status.
- **Interactive Q&A Session:** Students were encouraged to ask questions, leading to a lively discussion about the future of vaccination programs, the role of pharmacists, and ways to engage communities in health initiatives.
- **Closing Remarks:** The event concluded with closing remarks from the Head of the Department, emphasizing the responsibility of healthcare professionals in disease prevention and expressing appreciation for the active participation of students and faculty.

Key Highlights:

- **Polio Eradication Efforts:** The speaker provided a detailed overview of India's journey towards becoming polio-free, discussing the milestones and challenges encountered along the way.
- **Role of Pharmacists:** Ms. Nidhi Sharma underscored the critical role of pharmacists in vaccination programs, stressing the need for active involvement in community health initiatives.
- **Vaccination Strategies:** The lecture covered different vaccination strategies and the significance of maintaining high immunization coverage to prevent the re-emergence of polio.
- **Student Engagement:** Students actively participated in the interactive session, asking questions and sharing ideas on how they could contribute to disease prevention efforts.

Conclusion

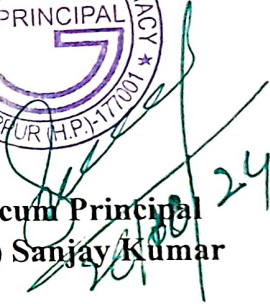

The event successfully met its objectives by inspiring students to recognize their potential impact on public health. It encouraged them to take an active role in promoting immunization and maintaining India's polio-free status. The lecture served as a reminder of the ongoing global effort to eradicate polio and the importance of healthcare professionals in achieving this goal.

The college expressed gratitude to Ms. Nidhi Sharma for her valuable insights and to all participants for making the event a success
